

Conversational Spanish for Educators

Newcomers and Beginners / January through June 2024

Essential tools for communicating with Spanish-speaking students and parents regarding aspects of school life and education.

The courses focus on developing communicative competence.

Participants will start speaking Spanish from day one, and get personalized feedback by submitting audio recordings and attending optional office hours.

**"Question and Answer" virtual sessions
December 20, 2023, from 4:00-4:45 PM & 6:00-6:45 PM**

During these sessions, a self-evaluation tool will be provided to assist participants in determining their appropriate placement.

Please register now at this link!

Following the "Question and Answer" sessions on December 20th, registration listings will go live for both Newcomers and Beginner courses. Only those registered will receive Zoom link information.
